

Training Men To Be Worship Leaders

Lesson 1: Understanding Some Basics About Worship

How important is the work of leading people in worship?

1. Basic Facts About Worship

Who do we worship?

What do we do when we worship?

Why do we worship?

How do we worship?

Where do we worship?

When do we worship?

2. Worship In The Assemblies Of The Local Church

What are the five acts of worship we engage in during the assemblies of the local church?

Why is it important to do everything in decency and order?

Who is required to lead this worship?

What authority do elders or the men of the congregation (in the absence of elders) have?

3. The Need To Train Men To Lead The Worship

Is anyone a “natural” worship leader?

How does training worship leaders result in improving the worship of the church?

How does training worship leaders result in men growing in their service to God?

4. What To Expect In This Course

What are some things you should expect from this course?

What are some things you should not expect from this course?
