

God's Blueprint For The Home

Lesson 10: God's Blueprint For Money In The Home

How does Satan destroy homes through money and finances?

1. A God-Shaped View Of Money

How is money a gift from God?

What connection does God teach should exist between money and work?

How are you a steward of your money?

How is godliness with contentment great gain?

Why is it important to give and be selfless with your money?

What is the proper perspective you need to keep money in?

2. God-Shaped Financial Priorities For The Home

Why is it important to be united in handling money God's way?

What is the importance of working to earn a living and support your family?

Why is it necessary to give back to God?

Why should you save and be prepared for the future?

Why should you live within your means?

3. Training Children To Handle Money God's Way

Why should you train your children to work?

Why should you train your children to give first?

Why should you train your children to save?

Why should you train your children to live within their means?
