Lesson 6: Step #3 – Baptize

How can you (potentially) increase the number of people you will help be baptized?

1. Teaching The Plan Of Salvation

How should you teach people the need for salvation?

How should you teach people God's part in salvation?

How should you teach people man's part in salvation?

Discuss each of the following steps:

1. Hear –

2. Believe –

3. Repent –

4. Confess Christ –

5. Be baptized –

6. Remain faithful –

2. Asking For A Decision

Why is patience important in asking for a decision?

How should you help people draw the necessary conclusions?

What are some possible responses to the gospel?

How can you help people overcome objections? Give some sample objections you should prepare for.

When should you baptize someone?
