

A Christian Is A Preacher

1. Preaching Is The Work Of Every Christian

Who must preach?

What must you preach?

Why must you preach?

2. Important Principles In Preaching

What does it mean to be “lost”?

What did Jesus do for the lost?

What does require for someone to be saved?

What was your spiritual condition prior to becoming a Christian?

How does God want to use you in reaching the lost?

How can you be prepared to preach the word?

Will everyone accept true gospel preaching?

Are you responsible for the results of preaching?

How should you ask for help in preaching?

How do you need to manage your time in order to preach the gospel?

What is boldness? How should boldness be involved in your preaching?

What is the value of each soul? How should this impact your preaching?

How often should be focused on preaching God's word?
