

## **A Christian's Life Is A Transformed Life**

### **1. Why Transformation Is Necessary**

What does it mean to be “transformed”?

How does sin makes transformation necessary?

How does the fact that the Christian's life is not his own make transformation necessary?

How does the fact that the Christian is a new creature make transformation necessary?

How does the fact that the Christian is not *of* this world make transformation necessary?

How does the fact that the Christian's life is a life of holiness make transformation necessary?

### **2. How This Transformation Occurs**

How has God made this transformation possible? And, why could you not make this transformation happen by yourself?

What role do the Scriptures have in this transformation?

What role does the renewing of your mind have in this transformation?

### **3. What This Transformation Should Look Like**

Describe what this transformation looks like according to the following passages:

A. Romans 6 –

B. Ephesians 4-6 –

C. Colossians 3 –

D. Romans 12 –

What can you learn about transformation from Paul?

What can you learn about transformation from the Corinthians?
